Green Building Initiative Announces the Third Open Public Comment Period for Green Globes for Existing Buildings

BSR/GBI 02-202x, Green Globes Assessment Protocol for Existing Buildings is now accepting public comments until June 12, 2023

Portland, Ore. – GBI is pleased to announce that the third comment period on Green Globes for Existing Buildings or *BSR/GBI 02-202x, Green Globes Assessment Protocol for Existing Buildings* (new standard) is open until June 12, 2023. The standard includes criteria and practices for resource-efficient, healthy, resilient, and environmentally preferable existing commercial buildings. The draft standard and public comment form can be found on GBI’s website at <https://thegbi.org/green-building-standards/green-building-standards-eb/>.

The Consensus Body for Existing Buildings Roster and list of stakeholders that contribute to GBI’s standard development, as well as Consensus Body, Subcommittee, and Task Group applications are available on GBI’s website.

The Public Comment form includes detailed instructions on how to submit comments. Please submit comments using this form by June 12, 2023, to comment@thegbi.org.

Contact the GBI Secretariat, Emily Marx with any questions at comment@thegbi.org or 503-274-0448 x103.

About GBI

GBI is an international nonprofit organization and American National Standards Institute (ANSI) Accredited Standards Developer dedicated to reducing climate impacts by improving the built environment. Founded in 2004, the organization is the global provider of the Green Globes® and federal Guiding Principles Compliance building certification and assessment programs. GBI also issues professional credentials, including the Green Globes Professional (GGP) and Guiding Principles Compliance Professional (GPCP). To learn more about opportunities to become involved with GBI, contact info@thegbi.org or visit the GBI website at www.thegbi.org.
