**Green Building Initiative Announces the Third Open Public Comment Period for  
Green Globes for Existing Buildings**

*BSR/GBI 02-202x, Green Globes Assessment Protocol for Existing Buildings is now accepting public  
comments until July 27, 2025*

Portland, Ore. – GBI is pleased to announce the third comment period on Green Globes for Existing Buildings or *BSR/GBI 02-202x, Green Globes Assessment Protocol for Existing Buildings*, a revision of ANSI-GBI 02-2023, an American National Standard currently under continuance maintenance. The standard drives innovation in environmental sustainability, promotes healthy and safe environments for tenants, and encourages life cycle thinking. The standard and public comment form can be found on GBI's [website](#).

The Public Comment form includes detailed instructions on how to submit comments. Please submit comments using this form by July 27, 2025, to [comment@thegbi.org](mailto:comment@thegbi.org).

Contact the GBI Secretariat, Emily Marx with any questions at [comment@thegbi.org](mailto:comment@thegbi.org) or 971-256-7167.

**About GBI**

GBI is an international nonprofit organization and American National Standards Institute (ANSI) Accredited Standards Developer dedicated to reducing climate impacts by improving the built environment. Founded in 2004, the organization is the global provider of the Green Globes®, Journey to Net Zero™ and federal Guiding Principles Compliance building assessment and certification programs. GBI also issues professional credentials, including the Green Globes Professional (GGP) and Guiding Principles Compliance Professional (GPCP). To learn more about opportunities to become involved with GBI, contact [info@thegbi.org](mailto:info@thegbi.org) or visit the GBI website at [www.thegbi.org](http://www.thegbi.org).
