Green Building Initiative Announces 2nd Open Public Comment Period for Green Globes for New Construction 2019

GBI's "continuous maintenance" to revise and update ANSI/GBI 01- 2019: Green Globes Assessment Protocol for Commercial Buildings is now accepting public comments until November 2, 2020

Portland, Ore. – GBI is pleased to announce the second comment period on BSR/GBI 01-202x Green Globes Assessment Protocol for Commercial Buildings, a revision of ANSI/GBI 01-2019, an American National Standard currently under continuance maintenance. The current standard, more commonly known as Green Globes for New Construction 2019 is currently available on the GBI website.

ANSI/GBI 01-2019 is following ANSI's continuous maintenance process, which allows for public comments to be submitted at any time. The schedule for continuous maintenance, as well as a list of the stakeholders who have contributed to revisions to the standard can be found on the GBI website at <https://www.thegbi.org/ansi>.

The Public Comment form to submit comments includes detailed instructions on how to submit your comments and is available to download on the website as well. This official public comment period closes on November 2. Please submit comments to comment@thegbi.org.

Contact the GBI Secretariat, Emily Marx with any questions at comment@thegbi.org or 503-274-0448 x103.

About GBI

GBI is a nonprofit organization and American National Standards Institute (ANSI) Standards Developer dedicated to accelerating the adoption of green building best practices. Founded in 2004, the organization is the global provider of the Green Globes® and federal Guiding Principles Compliance building certification and assessment programs. To learn more about opportunities to become involved with GBI, contact info@thegbi.org or visit the GBI website at www.thegbi.org.
