Green Building Initiative Announces 3rd Open Public Comment Period for Green Globes for New Construction

BSR/GBI 01-202X Green Globes Assessment Protocol for Commercial Buildings is now accepting public comments until May 10, 2021

Portland, Ore. - GBI is pleased to announce that the third comment period on Green Globes for New Construction or BSR/GBI 01-202x *Green Globes Assessment Protocol for Commercial Buildings* is open until May 10, 2021. This Standard is undergoing revision through a continuance maintenance process. The original standard, officially ANSI/GBI 01-2019, is an American National Standard and the redline revisions that are part of this comment period, along with comment forms, are available on GBI's website at www.thegbi.org/ansi.

As mentioned, ANSI/GBI 01-2019 is following a continuous maintenance process, which allows for public comments to be submitted at any time. The schedule for continuous maintenance, as well as a list of the stakeholders that have contributed to revisions, is also available on GBI's website.

The [Public Comment form](#) includes detailed instructions on how to submit comments. Please submit comments using this form by May 10, 2021 to comment@thegbi.org.

Contact the GBI Secretariat, Emily Marx with any questions at comment@thegbi.org or 503-274-0448 x103.

About GBI

GBI is a nonprofit organization and American National Standards Institute (ANSI) Accredited Standards Developer dedicated to improving building performance and reducing climate impacts. Founded in 2004, the organization is the global provider of the Green Globes® and federal Guiding Principles Compliance building certification and assessment programs. To learn more about opportunities to become involved with GBI, contact info@thegbi.org or visit the GBI website at www.thegbi.org.
