

GBI Municipal Membership

Municipalities across North America are committed to creating equitable and prosperous communities and a healthy built environment for their constituents. Local governments are seeking opportunities to promote sustainable and resilient design, construction, and operation of new and existing buildings, while offering accessible education to their employees on industry related topics and innovative trends. GBI is here to help.

GBI’s Municipal Membership program provides benefits specifically tailored for city, county, state, and provincial governments, offering the chance to credential members of their staff while also providing access to resources and support in implementing the Green Globes certification system.

MEMBER BENEFIT	PRINCIPAL LEVEL \$1,500	SUPPORTER LEVEL \$500
Green Globes Professional Training for qualified members of your community or free renewal for existing GGP for those already credentialed	4	2
