Webinar/Teleconference  
Wednesday, May 20, 2015  
11:00 AM – 2:00 PM Eastern Time

## - MEETING NOTICE -

Webinar/teleconference access information  
to be emailed prior to the meeting

The purpose for this teleconference is for the Consensus Body members to review sections of the Working Draft of 01-201X document and hear reports from Subcommittees and questions/comments from the public. Additionally, point allocations and readying the document for public comment will be addressed.

The tentative agenda will be posted on the GBI webpage for the standard at: <http://www.thegbi.org/ansi>.  
All meetings are open to the public. Any member of the public or subcommittee participant that would like to attend the meeting should contact the Secretariat Maria Woodbury preferably at least 10 days in advance of the meeting to ensure he/she is included in relevant communications in preparation for the meeting.
